THE ANTI-BALLOON CRUSADE.

The legislators at Albany who have set out on a crusade against parachuting satisfactory piece of work.

noses of exhibition and for the bewilder-ment of gaping speciators is frequently carried to such a degree of recklessness as to fall little short of the suicidal line. A long list of accidents, fatal and other. band and home. wise, proves this to be true. But it is a question whether or not the bill offered park rather Assemblyman Selleck, prohibitive

posed measure made this declaration: fellows killing themselves I'd oppose it, but it won't, and it ought to pass." "The fellows" are the reckless seronauts. To the Little statesman's lips.

A member of an Indian trile council in Oklahoma, threatened with expulsion because he got drunk, saved his seat by the application of a bold and bomospathic principle. He took two gallons of whiskey into the council and got every member so drunk that none dared coinplain of his case. It is apparent that unsumapected qualities of statesmanshir and diplomacy lurk among the remnants of the once noble race of red men.

The uncertainty of some things here

below is illustrated in the case of a Columbus man, who, thinking he had been buying Chicago corner lots, dissected in the "How to Manage a Hasself covers all at once that he has been investing in awamp lands twenty-five miles from the World's Fair city. It is not even sure that he can raise cranberries where he has planted his dollars.

Down in Virginia a victim who auc. ceeded in getting home with the "green goods" he acquired in New York hid his precious packages in a locomotive smokestack. He realized how appropriate a to man those to keep him my sweetheart and I will to mine!" hiding-place that was, when he discovered for life. a little later how completely the good
